Brian – I was out of the office on Friday and I'm traveling to Durango/Silverton M-W for the ARSG meeting tomorrow. I'll try and call you on Thursday but I was planning on sending out a meeting summary so perhaps, we could talk after I get that sent out.

Hi Paula,

Sorry for the late notice, but I will not make it to the meeting today. I live in Summit County and the weather and road conditions (especially as the storm increases this afternoon) concerns me enough not to make the trip down to Denver. Could you please send me any meeting notes? I'm very interested in the discussions that will occur today.

Thanks,

Brian

All – Thank you for responding to the evite for this meeting. I am sending a draft agenda. If you think I have missed something, please let me know or you can bring it up at the beginning of the meeting next Wednesday, Jan. 21<sup>st</sup>. See you then.

We have a date for the “global” RI/FS scoping meeting for the Upper Animas River Watershed. It was hard to find a date that most people could attend. I guess January is busy for a lot of people. I’ve scheduled time in the AM as well as the PM with a break for lunch as I wanted to be sure that we would have sufficient time to discuss everything. We’ll see how it goes.

An agenda will be sent out later but in the meantime, please allow some time to take a look at the Use Attainability Analysis that ARSG did 15+ years ago – primarily Chapter 10 and its appendices. Let me know if you need a copy.

Please respond if you can make the meeting. In the meantime, have Happy Holidays. I will be out from Dec. 19 – Jan. 5<sup>th</sup>.
